

Corporate Screensaver

Corporate Screensavers are a highly effective way to reach every single employee in your organization, a great way to reduce corporate SPAM and make everyone aware of your corporate communications with non intrusive messages. The repetitive strength ensures your corporate news & alerts reaches everyone without interrupting people from their daily work. Keep them in the know of what really matters!

REMEMBER VITAL NEWS

Gentle repetition ensures that employees notice AND remember vital news and need-to-know information

INSPIRE & ALERT

Inspire colleagues with the latest news & alerts within minutes, in a format that motivates

SHAREPOINT

Easily redistribute existing SharePoint content on every corporate PC saving time, money and effort

TARGETING

Easily redistribute existing SharePoint content on every corporate PC saving time, money and effort

SCHEDULE

Schedule playback based on time, day-of-week, month and year, or with certain time-intervals

Additional Features
